Then let us in his footsteps tread tread tread.

"Come follow me the savior said.

For thus alone can we be one with God's own loved begotten Son.
"Come follow me," a simple phrase,

Yet truth's sublime, effulgent rays.

Are these simple words combined

To urge in spire the human mind.
Is it enough alone to know That we must follow him below,

While trav'ling through this vale of tears.

no this extends to holier
spheres. Not only shall we emulate His course while in this early state.

But when we're freed from present cares, If with our Lord we would be heirs.
